

Understanding  
Bots

Figure out what types of bots there are on the internet

Therin Emmons

“Tap in” and figure out the significance of bots. how are they beneficial? how do they negatively impact the internet?

Therin Emmons

Where are these bots most likely located at?

Therin Emmons

Should the forum be dedicated to just only spreading awareness of bad bots?

Therin Emmons

How much of an exponential rise are we going to see in bots? Will there be stopping point?

Therin Emmons

Regulating the  
Forums

Develop an algorithm that helps regulate the forums.

Therin Emmons

Add a search bar to look for certain questions someone may have in regards to bots.

Therin Emmons

What barriers should be added to make sure that these people are legit?

Therin Emmons

How should we establish the community guidelines for our forum?

Therin Emmons

Do we need to 'get our hands dirty' and develop workshops outside of these forums to spread the word even further?

Therin Emmons

Long-Term  
issues

Bots will exceed the traffic on the internet and make up most of the internet.

Therin Emmons

We could build up our forum to go from a subreddit to a full blown forum website, with lots of moderation

Therin Emmons

We will detect and post about potential new bots on the front page of out website, along with trending forums

Therin Emmons

How will we keep up with how much bots and AI are advancing?

Therin Emmons

We can have a small lead team, and then slowly develop our leadership team in the long-term, for this labor of love.

Therin Emmons

Legal Framework

Figure out what we would need to do to comply with (US) laws and regulations.

Therin Emmons

How could regulations in the future impact these bots?

Therin Emmons

Erect user safety and harassment policies, and enforce bans if these policies.

Therin Emmons

Help develop an terms of service that is detailed and easy to read.

Therin Emmons

Be vigilant on what users can post or not, since it they could infringe potential copyright/trademark laws.

Therin Emmons

Costs and  
Investments

How much will it cost to start up and maintain a server?

Therin Emmons

We'll need moderators to help with keeping the forum relatively spiffy, as well as maintained. should it be voluntary or a full-on position?

Therin Emmons

Could we just use a Subreddit or Discord? could we even use it to have people get in contact us for things such as reporting issues?

Therin Emmons

How much will it cost to start up and maintain a server
